### Renew your favourite sofa

KLIPPAN is a popular classic. It has durable metal springs, which give the sofa its springy comfort, and a design and price that match most homes and wallets. The fabric sofa comes with the frame unassembled, making the package smaller and easier for you to transport home. All covers are washable and sold separately – you may want to buy a few so you can change whenever the mood strikes you. The leather sofa has a fixed cover and comes fully assembled in one package.

### Sofa for everyone

KLIPPAN seating series includes a pouffe, a 2-seat sofa and a 4-seat sofa, and they are all just as perky and popular. The durable metal springs give the sofa its springy comfort and ensure the seat will have a long, full life. If you want extra cosy moments in KLIPPAN, add pillows, blankets - and whatever else you like. The pouffe can be used both as a footstool and as an extra seat.
