### You choose the style

When you buy POÄNG armchair you choose everything yourself, except the comfort – it's always included! POÄNG is available in different types of wooden frames and in cushions with fabric or leather covers. Combine freely and get a style that's all your own. If you want a change, you can always buy an extra cushion – they are sold separately. Most removable covers are machine-washable. To keep the leather clean and soft, treat it with leather cleaner. Complement with a footstool in the same series for a harmonious look and added comfort.

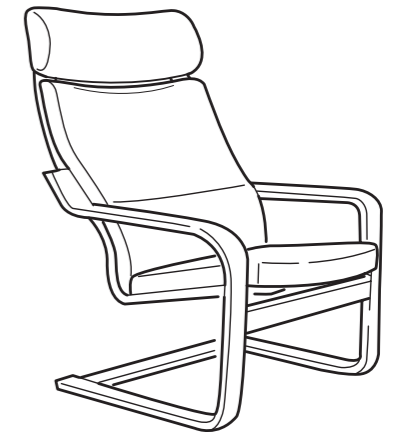

### Comfort in harmony

Design and comfort meet in POÄNG armchair like two parts of a whole. The layer-glued, compression-moulded frame follows the contours of your body and supports your neck and lower back. The material in the frame provides just the right amount of "give", allowing the chair to rock lightly in a pleasant, relaxing way. The same series also includes a footstool, available in the same wide variety of frames and cushions as the armchair. The footstool is specially designed to ensure you sit in a comfortable position. Lean back, rock and relax!

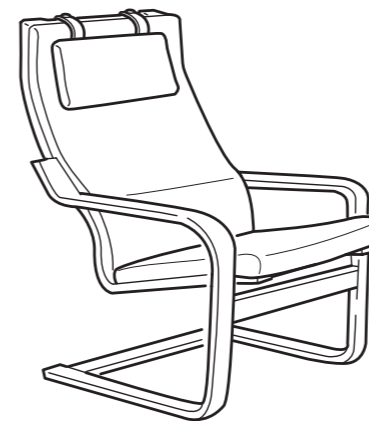

# COMBINATIONS

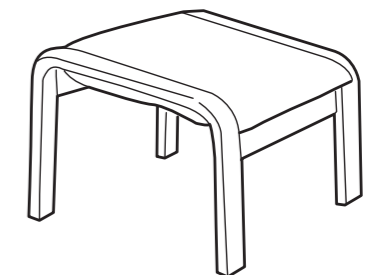

POÄNG armchair with ALME cushion cover. POÄNG chair comes in a number of different types of wood. Choose your favourite.  
This combination SR 495

This is POÄNG with leather cushion cover, SMIDIG.  
This combination SR 995

This is what your POÄNG chair looks like with SIRKÖN, DALA fabric cover. The leather straps on the headrest are fitted to the back of the chair frame with press-studs.  
This combination SR 595

This is POÄNG footstool with SÄGANÄS cover. The construction reflects the same ergonomic thinking that lies behind the design of the armchair. You can choose from the same range of covers and wood finishes as for the armchair itself.  
This combination SR 250
