

# ODDA

## One for all, all for one

Life needn't be all black and white! Sometimes it can be red as well. With these three colours as a base, we have created versatile furnishings with more than one function. Examples include an armchair that unfolds into an extra bed, a bed with two pull-out storage containers that double as seats, and a storage unit with a clothes tree that includes sections for both dirty laundry and clean clothes. ODDA gives you twice as many reasons for letting three simple colours set the style for your furnishing.
